Pinnacle Design/Build Group, Inc. Opens Regional Office In Charlottesville, VA

CUMMING, GEORGIA – Pinnacle Design/Build Group, Inc. announced today that it has opened a regional office in Charlottesville, VA. Pinnacle Design/Build Group, Inc. serves both the private and public markets by providing turnkey retaining wall, erosion control and storm water storage systems.

Joseph E. Harris, President, stated “We saw a need in the region for a quality contractor that provided retaining walls in a full service method.”

Mr. Tim Wade, Regional Manager, will manage the operations for the Mid Atlantic states. Mr. Wade has spent his 20 year career working in the region.

Pinnacle Design/Build Group, Inc. (www.pinnacledesignbuild.com) is an innovative geotechnical subcontractor specializing in the design and construction of retaining wall and erosion control systems. As one of the leading providers of these services in the United States, we differentiate ourselves from others in the marketplace by providing these solutions as a fully integrated package of engineering design, construction, and quality manufactured products. This turn-key approach delivers single source accountability, enhanced cost efficiency, shortened project duration, and overall peace of mind.
